AD-here® ULTRA
Benefits

FASTER AND EASIER PAVING

- Makes field compaction easier enabling improved mat density with fewer roller passes, even with high recycled asphalt pavement mixes.
- Improves mix workability and enables easier hand-work
- Extends paving season and lengthens haul distance

AD-here® ULTRA
Benefits

SAFER, SMOOTHER, LONGER-LASTING ROADS

- Extends pavement life by promoting stronger chemical adhesion of asphalt to aggregate
- Protects pavement from stripping and moisture damage caused distresses
- Makes pavements safer by protecting against rutting and pothole formation
- Produces smoother pavements for improved ride quality
